OFFICE OF THE SECRETARY OF THE SENATE U. S.,

*December 15, 1847.*

The Secretary of the Senate has the honor to report a detailed statement, prepared in obedience to the 20th section of the act of the 26th August, 1842, of the manner in which the contingent fund of the Senate has been expended during the year ending on the 4th December, 1847, the expenditures having been examined and passed by the Committee to Audit and Control the Contingent Expenses of the Senate. The amount of the appropriation for the contingent expenses of the Senate unexpended at the close of the year above mentioned was \$56,401 21; of which \$56,376 91 were then in the treasury, and \$24 30 in the hands of the Secretary of the Senate.

The Secretary also reports a detailed statement of the expenditures from the appropriation made by the act of the 3d March, 1847, "for the contingent fund of the Senate, to enable its Secretary to comply with their resolutions passed February 18 and February 20, for the purchase of certain books;" these expenditures having likewise been examined and passed by the committee. The amount of the appropriation remaining unexpended on the 4th instant was \$3,850 31; of which \$3,850 were in the treasury, and 31 cents in the hands of the Secretary. This balance will be required for the payment of the residue of the books purchased, all of which have been delivered.

All which is respectfully submitted.

ASBURY DICKINS,
